

Company Profile

Ocean Strategy is a top-class boutique strategy consultancy in the media industry, providing revenue-growth focused advice to media owners and investors in media. Based in London, Ocean has an entrepreneurial culture that thrives on close teamwork and requires energy, enthusiasm and a dedication to achieving real change for our clients. Demand is at an all-time high and Ocean expects strong growth in the coming years.

Vacancy Type

Full-time – 2012 fall intake

Occupational Areas

Strategy Consultancy

Salary Range

Competitive

Details of position

As an **Associate Consultant** you will actively support strategic projects for corporate and investor clients in every sector of the media industry, both in the UK and internationally.

You will also be responsible for:

- Executing quantitative analysis of client and market data to help fulfil our assignments (growth strategy, strategic due diligence)
- Key additional activities including research management, performance measurement, benchmarking, customer feedback and market assessments
- Preparing presentations
- Preparing project proposals and client discussions
- Assisting with project planning
- Actively contributing to case team assignments, providing results and communicating them clearly

General Requirements

We are looking for high-calibre individuals graduating in 2012, who are keen to join a dynamic strategy consulting firm focused on the media industry. Outstanding analytical skills and academic achievement, combined with a tenacious approach to solving important business issues are a must. You will have a high level of energy and enthusiasm and a genuine passion for strategy consulting. Experience in the media industry is beneficial but not essential to the role.

Location(s)

UK – Central London

Additional Application Details

To apply, please send your CV and covering letter to recruitment@oceanstrategy.com

Notes:

- You must be eligible to work in the UK
- Your application will be considered for 2012 fall intakes
